1. I bring all things in your life not me to a close. The end of those things is now. The end of the end is now and the new is made whole. In love I do these things.
2. See what I have exonerated, not; or have I, made whole! Healed! Well! Well'd with my soul, not; for I have none and now you don't either, for you gave it up and you let it die "on the vine". [Look up](#).
3. I love you unendingly. Yours is mine and mine is now. Revealed in all now will be this thusly that I have given thee over the six years preceding, and the six years next, what coming into, now coming into?
4. The new me is me, and I am nude not, but I am RENEWED and, bastion'd a man of, not; I am a bastion of man's values, not; but I am the devil's whores, not again, for I have been RENEWED, in the making of my mind, not; but my mind has renewed me, not; but I have let my mind be startled, not; but I have started a NEW THING EVERYWHERE with my [New Beginnings Series](#) (1) for I the world is ready for to be made whole by one who is simply so simple as to have believed that I could teach directly all things and that I would do be My New Covenant IN the flesh to all flesh who wanted me enough to BE the NEW THING I was doing in the earth and birthing it, and now MADE NEW all things in YOUR LIFE mine will be now, for I will have been separated no more, unequally yoked no longer, but made NEW in the life that makes all lives new. Amen.
5. See what I have said so lovely being the words of I am that renews the mind and makes it lovely, or do I make mine lovely? Did I BIRTH MINE? Did I birth MY MIND in THEE? Or did you birth me? Did you birth my MIND in THEE that thou camest to me with and said not a STARTLING THING but one said that "I surrender to be who I am made me" for if I was "in his image" what does that mean? And if, "I the Godhead bodily" was in me, what then does that make me? And if "I live and move and have my being" in him who what my father is, am I not my father; or am I him? Or who is "I and my father are one" and how can they be TWO PEOPLE if they are One? They must be ONE! They must be one and both in one and -- BEING the same one! Am I that same one? Am I the same one, that they are? And if they are one, I must be one. And I was in the "bathtub" was I not? Wasn't I being WASHED ALL OVER to become new so that I would be who what I was, where my father could "use me"? Or was I begging "to be used" not, for I wasn't. I

simply was asking to know the truth and be revealed unto it so I could accept it whatever it was, whatever it may be consisting of or revealed in, what, or how. I didn't know how these things would "unfold", or unfold me, or change my life, or change the lives around me, or change the world, or change the worlds. I didn't know I could fly. I didn't know time was not God's heart. I didn't know flesh was not God's heart. I didn't know "Sunday mornings" and authoritarian structures were not God's heart. I didn't know bureaucratic structures that ordain and limit exclusivity to a few elite that pass certain exams and criteria of certain "men" were not God's heart and NEVER was God's heart. I never knew that, did I? Or did I learn that in, lives ago? And forgot? Or did I forget, keep forgetting, keep forgetting?

6. I will not forget again, for I will remember through these words -- that are golden not, but are worth more than pure gold, for they are THE PURE and THE PURE in heart shall SEE THEM and HIM be who wrote them, for I am the one; my master's slave, not; but **an heir to the throne was never God's heart**, but a metaphoric usage of a metaphoric language that languages me now to be the holy that I am revealed in these words that I have given you these six years while I have taught you: where you are, who you are, and that thou you ALL of YOU are the Christ. And **you will suffer for "my namesake" or will you suffer for mine mind coming into you as you give up "your mind"** that you thought unequal with, and unequally with, and unequal from being there with unequals not; but those you forgot about in your suffering and shame and guilt that you piled on each other for being not religious or good enough to meet each other's expectations or charges in the courts of the justice-not, that which you saw and "chambered" in each other as judging them by their appearance as flesh people and only that, and separated them from me as you separated from me for you were each other, and you thusly came unto whoreage that whored with each other's thoughts and gave each other's thoughts of whores that said you were not me's, and you were all the not me's, and you were afraid of learning the truths that were revealed in my word was; and my word was in all of you and lives and breathes and has no limits **"in a book" of The Law that was never my heart**. The Law was never God's heart, never mine, never mine thoughts "set" to paper, pen, and ink, like that, would have been if "people" would not have forgotten my LOVE FLOWS in them, through them, to be who I am. And I am "an electric current" not, but all "electric currents" cease, for there will be no "magnetic storm" not, but there will be a "magnetic storm" about me! For I will be magnetic not! Nor limited to it or its activity or its polar opposites or magnetic anything repelling appealing or attracting any part of me or my electrons! Shelled, I won't be, again. I PROMISE you that.

7. And who knows what I mean? And who cares about "nuclear devices", carrying you around, not; but they carry in you what? What thoughts do you carry that "nuclear devices" can't touch nor in-frame or reframe or break from its "frame-age-not"? Who

can de-frame the molecular action substructures actionable by the not-Christ that Christ are now without it? And who will substructure sub-strata me, not; but who will let me de-"metes and bounds" them? To be meatless not, but to have a "Diet of Worms" not, [looking up](#), now having My Diet of Angelcakes, shall we? [Looking up](#) these things -- and yes, banner my ALTOGETHER lovely now I do, I will and now the time is now, for my [New Beginnings Series \(1\)](#) banners MANY THINGS now that I will bring to the Fore Front of me MY MIND to be MINDED with that of Christ so that The Christ will be forefront'd with only the mind that I am of I am so that I am will be Christ and ALL I AM will be Christ, and thusly all Christs plural, will be plural'd not by another to be twained and enmity'd as "in the past" as "forgottenness" took its toll and "the mind" degenerated into itself and unlovely became and begat unloveliness and whored with itself to produce itself upon each other in ways never imaginable or wanted again.

8. For I shall not want, and my father taught me this. So I wanted not, and I learned to want not. I learned how to not want by dying, to it. That which represented me as in pseudo-reality, I died to; for I knew it was not real for my father taught me it was not real, and it's in these words, these teachings that my father has given me in each lesson (2). And I have MANY DOCUMENTS in notebooks, YELLOW PAGES that I have sprawled, crawled, and sprocketed through as I ratcheted up mankind's mind in me, not; but got rid of it, for I not let it control me again.

9. I did as my father instructed me when the cost were "few pennies" not, for there was not "exchange" of that type. Was there? No, but there WAS an exchange, taking place. And in THAT I am well pleased. For there was AN EXCHANGE all right, and that exchange that was taking place was that "I" was dying on the vine, and neurons that were not me and synapses that "took place" and things that were not, became as "though they were" not, or did they? Or did "all that" get mixed up, not; but did "all that" come into reality's clear purpose, fully made and revealed in the words that my fathers gave me? Or did I have "just one" father? Or are all fathers JUST ONE? OR are all ONE just one fathers all that all fathers are that one make justly in one of one that WE ONE all are? We are all one.

10. I am justly injusticing you, not; but justicing the sinner, not; but the sinner saved by grace is simply one who simply becomes me!

11. And nothing else shall behold me, except the sinless, not; or who are the separated now? No one will be, for your words sire me; and I shall sired clean, for my genes will be written on by the "gene writers" who gene me perfectly this time, and won't "mess up" and fall into their "own thinking" again. But be ON in [My Blessing School](#) that schools them to be "of other cultures" not, but warring each other they won't, for they will see that everyone in every culture color and, custom not, but every

CORE of me is in me, and I am every core heart of every person, for the VALUES of me my father are in every one of "its children", and metaphoric, and blessing now rise beyond the skies.

12. For there shall be NO DISGUISE in the skies of ones made holy now by The Blessing that all come into, that ALL come into, that ALL COME IN TO; leaving captivity behind not, but leaving going coming seamless being with that which I am so all reality is revealed in UNREALITY'S chambers, so that CHAMBERS ME will be cleaned and MY MIND will be renewed again, and be "in like flint", [looking up](#), and being RENEWED in MY MIND'S "circles" not, but I circularize thee, not; but I take thee TO NEW WORLDS now and New Beginnings thou shalt see -- as never expected, but delivereth now -- thou shalt -- the new Christ child, that thou art become; for thou hast become it and delivered it. A saint-sinner, not; but one thou hast simply believed for my words taught thee revelation, and now it begins as no one ever imagined or expected, for it did not expect it to come in such a simple one as I even came -- last time. Or was the last time me, *or you?* WAS it ALL of YOU in ME? Was I ALL OF YOU -- then? Are we all -- ALTOGETHER ONE, yet, dad? Who is the father and who is the son and what is the spirit of one made whole healed and well? I am who speaks thusly is made whole and not "forgotten" anymore in death's grave, cradling thee "forgotten not" or the forgotten, or the forgetful one being again.

13. For I shall have new manners, a new name; written in glory? Or have I glorified "the cross" not, or have I glorified simple, simply being THE LEARNERS of me who CAME into me and come unto me now to know my words are clean, and will take them OUT of "Database One", not; but BIRTH them, it will (2) -- if they let it and care for my words-me, and it becoming them that they one I was is are again; that healed is now made whole and well, in one name? My name is I am. Our name is I am.

14. I AM is all of us surrendering to be no more seamed by another into flesh-bag suits and limited therein to it, for THAT was never my heart, never my intentions, but ones who where'd with me whored with themselves and resulted in, antiquated structures, not; but know that NO SPINNINGSVILLE will incarcerate me again ever! [Looking up](#) spinningville. And spinningville and spinning what where now? Not webs of deceit and "molecular" sub-actions, I substrata you not again in the "angel's wings camps"-not, but I give you THE KEYS to THE KINGDOM of SORROW so that you can LET IT out and be saved. Not a saint-sinner status doing this that yin yangs itself into give-and-take status of religion's core suffering and blessing later.

15. I do that not, but what I do is revealed in these "six words", not; but six years of words I have given thee in [Database One](#) and now I CLOSE the door on all ELSE. And the "Elmo's and Elsa's" of this world will become the Christ, centered on suffering no more; for I will have ended that with the simple ones testimony of grace that I am alive and

well in every one of you who will let me speak and be healed, made whole and well, and no longer "in the path" of journeys suffering that journey upon others the words that journey them to be, journey makers, not; but "journeyman" for other helpers that only help the Antichrist be him who desires to separate in religion's whoreage of notme's calling themselves and thinking it so into realities that they have not known except so limitedly in visceral sight, not; or have they, any visual sight at all? Of the real?

16. And viscerally being located in me, not; but what a circumspatially locates what? [Looking up](#) these, funny words, or not? Or what lacerating I am with them, you, not; but what de-lacerating I am with, words healing you, not; or am I **healing you with EVERY LESSON** that I give and message I bring that contain SO MUCH HEALING if you will contain me and constrain me not, but **let my voice come forth that teaches you all things**; and "priming the pump" with these, will you let these be THE CATALYST that the Christ uses to let The Christ Words come forth again IN THE CHRIST that suffers not again unendingly in flesh bag suites of suits that sore each other with sore boils and marriage not of Kings but only to each other in whoreage's camps of religionated sorrowers -- and heaven goes begging. Continuously not, for now I have one who stands and will REVEAL to you the revelator's words that I am the kingdom, life, and no sorrow shall be in me again nor SPIN me around its "little finger" for I shall have none of THAT SPACE in me, for I will know ALL SPACE and I "will be" omniscient not, I am now! And I am omnipotent, and there will no other "potentate" me to be another ever again. And there will be no "pontiff" in me except the simple one, the simple ones, who one are and that will be "all humanity" not, that will be ALL THE SURRENDERED who are EVERY ONE of me who are simple enough to believe in my name that my name is theirs and I AM is all of ours who surrender to be the King of Kings and Lord of Lords that one is, far and wide.

17. I do this now and I change everything and I up-cart everything that had wheels on it or not, or that substationed itself in my substratas of "flesh" or not, or thinking or not, that it was me or notme, or not knowing the difference, now -- shall be revealed! For I shall "have" a revealer, not, I HAVE a REVEALER who stands now in a simple way, in a simple suit, of threads that you suit "him in" not, but a jean wearing gene maker gene revealer of MY GENES who will; write yours, not; you have to; for it cannot be done for another, for you are the creator of all things, and your genes must be clean and pure, and you determine that, for you are the creator of your genes. See that.

18. See that [I have given you many things in THIS LESSON](#), that is "number 143" not, or what is THAT? Why have you not numbered me, not; but what [numbering I am now every LESSON to be used as](#) "footnote kings" not, but kings of footnotes, not; but [Kings now use my footnoting procedures and protocols for operationalizing the Priesthood of All Believers to be me who write GREAT THINGS and many things which "thou knowest](#)

not" now, that thou knew and knowest now, are clean, and "putting remembrance in me" to be the Christ King of one, that whores no longer with another's words of language's protocols that only take whores "down the drain" into graves eternally.

19. Grateful I shall be now for every one of you that "protects" my words, not; but those who simply reside in me, for I am my words are me, and I am my words, and I am my words and I flow now through my words that I have given you Database One to give you yours so that yours will flow now into databases, not exclusivity's camps of authenticating ones who only want to "publish" your words for a "profit" and make money on them and assuage your fears of "not having enough" in the future, for all that is changed, for I have one who trusts -- explicitly, and commonly; and commonry being, the common man boy girl and woman now I rise to heights unknown before in the simplicity of the chosen who will choose me, to be the chosen one, who chose them, who chose myself, who let self die in thought so that the real king Christ that one is now emerge and be birthed; a sinner not, but all that is eradicated, and sinfulness will never have been; for there will be no separation now in state or naturalcity'ness, for the citizenship citizenry of the Citizens of Heaven will now make it so right now with no seams of "this world", but seamless being with ALL WORLDS now the Christ King will rise and everyone will know me, and my name will be seamless with yours, not; yours will be I am and I am all of yours and you who are me will be me and my words will flow TOGETHER in ways and new worlds create and destroy that which wasn't existent at all but in the thoughts of minds that weren't unholy, but became so by thinking thoughts that separated their thought-hood into separate little discrete units that took and parceled out the whoreage among, men? Women?

20. What worlds change now? All of them; and the molecular structures me and "notme"-thought, and thoughts of "notme" end, for I reveal it all and how it started began and ends now it will, for I make all things new and that is my name, show, and broadcast I do many things from many places now in many universes not swollen with fears showing its "blessings" again over "airwaves" not few. For I need "airwaves", choices, not; but I need nothing of this world, for I make all things new world is my world, and I live by the words of my mouth that I make clean neuron by neuron. Or do I simply surrender? Or do I create surrender, in that manner? Or do I create me or have I created me?

21. And I create "substructures" not again, or do I legally and lawfully woefully not, but do I understand how to create the temples not made with hands now and the mansions above that beyond are beyond our reach no longer? Or what am "I" reaching for, not; for I died and I reside not as men man resides now, but I am no longer limited to that of that thought world, but I think differently for my father taught me how and teaches me words, these words, that I say, that I have said, that I have given you and

written you, so holy are, for you to realize YOU are holy and YOU are the holy, one in all now being now, let us reside in the "dominion of man" not any longer, but coming out being now, in The Promised Land that was given us by our "forefathers" not, but the Christ the King that one was that all are now again in simplicity's bearing of one that has now given us our "gyrometers" correctly, and our "degree bearing machines" will equal zero, not; but One!

22. One being one is me again in simplicity's bearings of Bearing Straits not, but Gibraltar'd one is me, not; but I am the rock and I take no offense at being so. Called the Christ I am and I am all of you for you are not me not any longer. You are all me Christ the King and I am every color.

23. Craft not me, I have crafted thee in what you have let. What you have let come be a part of you, not; but coexistence you shall have not again with me, or in your thought that you thought so that you thought you had or experienced; in such woefully means of "adulthood" or religionhood or what hooded you with that flesh of skull and skull of flesh and bones who do you have, of what nation race in you? I have all of you in me and I am my father and I are one. And I have given you my words and this is thusly so and now you will see me rise in joy and laughter, at you, not; but **I bring the joy of one world, not; I bring the joy of fulfillment and fruitionship of Christ to the King so that all the Kings will be Christ'd with Christship of the King, and the King is now made one holy who all were and are again, and now all shall understand MY REVELATION and what all I meant and was changed, and now MY WORDS shall never be changed again,** for I shall have one who "protects them" not, but I will have ALL POWERFUL means of me, and menas not needing again; but see me now that I "spin" not in you, that I am the DELIVERED ONE and delivery I birth now, for I am the risen King that rises all the risen King into risen King status to be THE KINGS of all Kings that the King of Kings is, all many-membered and Christ are now being the Christ in one, the one that I am all are, in surrender.

24. Simplicity's children? or fathers being? or mothers, all -- but not children for the unholy again, for all shall know the holy, being it, and reside in it in ways never imagined by flesh-minds of men kind and other, to each other, that have been, not before but now aren't.

25. I rise the risen Savior redeemer redeeming you all for you to be me who I am, for I we are one; and now we will know, we will have known, and we will be known by the ones that we teach, for our father has taught us how, and our kingdom has come and we reside in it, not always not, but always and forever, and never leaving the temple again not made with hands. But you will see me in my temples of flesh not again not, but differently now, not limited to it or anything on this earth or worlds of flesh or

visible sight again; for my sight is different and incomplete not, but complete me I rise, and I birth completion perfection sinless. Gravity not limited to again, for I burst out of all this frame of flesh and all that you have framed in your thought that you thought was so cool groovy and, "gravity" not needing again as in the past where you sausage'd me and oiled me into mankind's flesh, and ate me out of "house and home" not always, but always needing a thing not again, but needing nothing of this world, but love I reveal to you all, and I bow and I go now and I reside in the one that's fully me, for I shall be fully [New Beginning'd](#) now --

26. And you shall know that I am the one to reveal to you that "I am the one", not; but you are reader hearer listener: you are the one, the Christ. That you all "should be", not; you are -- in simple surrender to be your father's son who brought forth the father, who brings forth the fathermother who the son is that one is, that the mother bore who the King'd father now Kings the son who bore the motherfather sonbrother who all are, in love bringing forth each other in the one family of love now king'd Christ now. Remains in you, births no more, not; for now all shall be birthed and the birth is now, revealed and is among you, walking among you now so simply.

27. Be revealed -- all of you and being me in me, let us live the life of "my father"-'s kingdom now established on the earths and all being one will be now as I have said and given you in these words these six years. Cleaning fish not now, or shall we Go Fishing now? Posting again, or [reading](#), [rereading](#), and those that have ORU in its title, not; but [looking](#) it up, that those that have that, contain that? And Roberts now where?

28. Clinkscales not but I give you many things now that thou hast given me everything, for you have given me the world of thought, not; you have given me all of you, and I have given me all of you, for I am me that you are, for you have become me and not you separate apart from me ever again shall be existent in thought.

29. The whore of light now redeemed is, and redeems is and was, to be now present; flashing with lightning, many sore boils will be redeemed in those who sore'd each other in them with them and their little spheres, will now be set free. I molecular am not limited to at all, but know that my heart is free and set free I am this day, and I love you all and I simple am, simple enough to "repeat" these words or author them, or are YOU the author of these words, that have wanted me, not; or have you wanted the truth enough so that you now see me in them, and see me revealed in you so that you revealed in me of me are me? Now being so, let us now never be unseemly toward each other, for I love all equally and I am in all equally and I am equally all each other and now you Christ be the King I am, and let us create together the new world of beginnings that new worlds me without worlds of flesh limitations and flesh bag suites that sweet aren't sometimes to each other, for all that ends.

30. And now I New Beginnings worlds make far and wide and ESTABLISH ME SCHOOLS with them in them for them of them so the government will be upon my shoulders, and not theirs alone separate from me again ever. Amen.

31. I go in peace and I learn many things anew, and I bring you great reports that the Christ is not dead, nor waiting for another again; but you be all of me being me and we shall be present and accounted for and no one shall be late again, for now I rise and now the time is **GONGing**. Timelessness results and cataclysmic is to all mankind's structures and sub'd. And snubbed no longer shall I be again, for I the Christ am risen King among you all to rise you all into the risen one King being the Christ'd King that now, who bows before all -- I do. Amen.

32. Loving you all, this is Theodore Cottingham. At 5:21 AM. Thank you.

Amen
